Case No. U-11104

**NOTICE OF INTEREST OF
CLIMAX TELEPHONE COMPANY**

On August 28, 1996, the Michigan Public Service Commission ("Commission") issued its Order Establishing Procedures in Case No. U-11104, directing parties to file a notice of interest within 21 days of the Order. In compliance with the directive, Climax Telephone Company ("Climax") hereby gives its Notice of Interest and, in support of same, says:

1. Climax is a Michigan corporation with principal offices located at 110 North Main Street, Climax, Michigan. In accordance with the Commission's August 14, 1992 Opinion and Order, Climax is currently licensed to provide basic local exchange service to the public in a service area known as the Climax Exchange.

2. On July 30, 1996, Climax filed an application in Case No. U-11143 to amend its license to provide basic local exchange service by adding the geographic areas of Ameritech's Kalamazoo, Galesburg, Scotts and Battle Creek Exchanges, pursuant to § 303(1) of the Michigan Telecommunications Act, as amended ("MTA"). Notice of Opportunity to Comment was published. Ameritech Michigan and the Michigan Public Service Commission Staff filed comments in support of Climax's Application.

SEP 19 1996

3. In connection with its pending application to provide basic local exchange service to Ameritech's Kalamazoo, Galesburg, Scotts and Battle Creek Exchanges, Climax has entered, or soon will enter, into negotiations with Ameritech Michigan for interconnection arrangements pursuant to the MTA and the Federal Telecommunications Act of 1996.

4. As part of the August 28, 1996 Order issued in Case No. U-11104, this Commission has requested information regarding interconnect agreements in evaluating whether Ameritech Michigan has met the requirements of the competitive checklist in § 271 of the Federal Telecommunications Act of 1996. Therefore, in light of Climax's current negotiations with Ameritech for interconnection arrangements and as future competitor, Climax has an interest in this proceeding and should receive copies of all filings made in Case No. U-11104. Moreover, Climax, as an interested party, should be permitted to file replies or comments to any filing made in Case No. U-11104 and file other relevant information as determined to be necessary.

5. Copies of filings should be sent to Climax's attorney: Harvey J. Messing; Loomis, Ewert, Parsley, Davis & Gotting, P.C.; 232 S. Capitol Avenue, Suite 1000; Lansing, Michigan 48933.

WHEREFORE, Climax Telephone respectfully requests that the Commission recognize it as an interested party to Case No. U-11104 and direct other parties to serve copies of all filings made in this proceeding and permit Climax to make relevant filings.

Respectfully submitted,

CLIMAX TELEPHONE COMPANY
